Family home opening onto parkland!

This much loved four bedroom ensuite house has been a place to call home to the owners since it was built and it easy to see why! The home is located in an elevated position in a central Weston location on a substantial land holding of approximately 1,213sqm facing out onto the adjoining nature reserve.

The lounge room opens to a covered pergola that overlooks the garden into the adjoining nature reserve. This is a great setting for; entertaining friends, watching the children kick a football around or a game of backyard cricket.
